

Cintrée Curvex Collection

The Master Banker has been created for businessmen and businesswomen who are constantly on the move. It concentrates on the essence of complications and offers three different time zones adjustable from the same crown. This apparently simple feat is actually very difficult to implement. This achievement relies on the fact that the movement composing the Master Banker has been designed from the ground up and thus required several years of development.

Reference	8880 MB SC DT IND
Case	18k rose gold Hand polished Water resistant up to 30 meters Width: 39.6 mm x Length: 55.4 mm x Thickness: 11.8 mm Sapphire crystal
Dial	Stamped guilloché with sun pattern 20 layers of translucent lacquer
Functions	Hours, Minutes, Seconds, Double time zones
Instructions	Winding shaft with 3 positions: 1.Winding. 2.Date setting 3.Time setting
Movement	MVD FM 2800-MBSC Self-winding movement with bidirectional rotor system Power reserve of 42 hours 82 components 21 jewels Diameter: Ø 26.20 mm .Thickness : 7.45 mm Balance wheel frequency set at 28,800 alternations per hour
Movement Decoration	Côtes de Genève and brushing "soleil papier" on the bridges and the rotor Circular graining on the two sides of the main plate Chamfering of the bridges 24k gold bath and rhodium plating of the components 24k gold finish on the written engravings Circular brushing of the rotor ball bearing Brushing "soleil papier" on the barrel Polishing at 45° and brushing "soleil" of the ratchet Polished and blued screws
Bracelet	Hand sewn alligator strap Hand polished
Buckle	18k rose gold buckle Hand polished
